

Health and Safety Policy Statement

August 2018

The number one priority of Beanstalk Day Nursery is to provide a safe and secure environment for all of the children left in our care, as well as our staff members, parents and visitors.

Our staff and management team are committed to Health & Safety at work and ensure that all of our legal obligations are met.

Our organisation seeks to ensure that all children, staff, visitors and contractors act in a manner that complies with all necessary Health and Safety requirements at all times.

We will provide a working environment which meets statutory legislation and conforms to established codes of practice thus ensuring that high standards of Health and Safety are met.

Our Staff and students are provided with the necessary induction and training and will perform their duties in such a way that will not endanger others.

As an organisation we will monitor and undertake regular checks on equipment, systems and property as required under legislation.

We will do everything that we can to ensure that your child's experience with us is a safe, fulfilling and a happy one!

If you are on our premises and you notice anything that concerns you, please report it to a member of the team.

This policy will be reviewed annually.
